Welcome to the beautiful, friendly, historic Town of Bruce Mines! The Marina is nestled in a natural protected harbor on the west end of the Lake Huron North Channel. It is ideally situated right next to the downtown core, a short walk to all the amenities and services a boater could want. Drop in for an ice cream, a meal, to catch up on laundry, to stroll through the car show or to provision for the next leg of your cruise at the grocery store or LCBO. If you come on Wednesday, you can also shop the Farmer's Market.

Come as a Tourist, Leave as a Friend
